

LIBYA BUILD 2013

The 9th International Building and Construction Exhibition

AlRaied Group Sherwin Williams participated for the first time in Libya build 2013 exhibition and believe it was a great opportunity as an introduction to enter the Libyan market. Sherwin Williams is currently the number one paint in the world.

There was a great interest in Sherwin Williams from the media. One of AlRaied Sherwin Williams employees was chosen to discuss about the different paint products that Sherwin Williams Libya carries.

Members of the AlRaied Group Sherwin Williams Libya with advising customers interested in using Sherwin Williams paints.

No matter where you are in the world or what surfaces you're coating, Sherwin-Williams provides innovative solutions that ensure your success.
